

# Roy Orbison, Belinda

(Dennis Linde)

Oh sweet, sweet Belinda  
They say that you are looking for a home  
Fresh out of a love affair  
Fresh out of hope  
Fresh out of dreams

I know you're as strong as any human can be  
But you need love, why don't you take it from me?  
I know I ain't much, but you can have me for free  
Belinda

Oh sweet, sweet Belinda  
You don't owe me no gratitude or love  
We're just two souls stuck here  
Two lonely rivers filled with light

Two lights shining on the darkness ahead  
Two feet touching in a cold winters bed  
I promised you safety, but I loved you instead  
Belinda

Oh-oh Belinda I'd die of loneliness  
If you ever left, Belinda

Oh-oh Belinda I'd die of loneliness  
If you ever left, Belinda
