Roy Orbison, Born To Love Me

(Bob Morrison)

Not many'd say she's pretty 'cause they don't realize That beauty is often hidden from anothers eyes But in a quiet moment her beauty starts to shine And every night I'm thankful that she's mine Oh-oh that she is mine

And she was born to love me in her gentle way Born to love me each and everyday Born to love me born to hold me tight Born to love me everynight, everynight

I've learned it doesn't matter what other people see It's what I feel for her and what she feels for me She's made my life worth living because she understood That love is made for giving, she's so good Oh-oh she's so good

And she was born to love me in her gentle way Born to love me each and everyday Born to love me born to hold me tight Born to love me everynight, everynight

Yes, she was born to love me in her gentle way Born to love me each and everyday Born to love me born to hold me tight...
