

# Roy Orbison, Dance (Alt Version)

Orbison/Melson

Well they're dancin' down the corner

Put your best dress on

Get with it baby we're gonna go all night long

Yeah yeah, uh-uh, yeah yeah

Get ready right now we gonna dance on and on

Well now hurry hurry mama

Don't forget your shoes

You're gonna need 'em baby

When they play the Harlem Blues

Uh-uh, yeah yeah, uh-uh

I got the dancin' fever

We're gonna go on and on

Well dance baby dance

Come on and dance baby dance

I said dance baby dance

Come on and dance baby dance

Come on baby

Come on baby, let's dance

Put those rings on your fingers

Bells on your toes

Get with that feeling baby

Body and soul

Oh-oh, yeah... uh-uh

Get ready right now

We're gonna dance all night

....yeah.....yeah yeah yeah, don't stop

Yeah, dance baby dance

I said dance baby dance

Uh-uh-uh dance baby dance

I said, dance baby dance

Come on baby, baby let's dance

Come on now, dance baby dance

I said dance baby dance....
