

# Roy Orbison, Dream Baby

(Cindy Walker)

Dream baby  
Got me dreamin' sweet dreams  
The whole day through  
Dream baby  
Got me dreamin' sweet dreams  
Night time too  
I love you and I'm dreamin' of you  
That won't do  
Dream baby, make me stop my dreamin'  
You can make my dreams come true  
Sweet dream baby  
Sweet dream baby  
Sweet dream baby  
How long must I dream

Dream baby  
Got me dreamin' sweet dreams  
The whole day through  
Dream baby  
Got me dreamin' sweet dreams  
Night time too  
I love you and I'm dreamin' of you  
That won't do  
Dream baby, make me stop my dreamin'  
You can make my dreams come true  
Sweet dream baby  
Sweet dream baby  
Sweet dream baby  
How long must I dream
