

# Roy Orbison, Fancy Dan

Well Fancy Dan, he's a bright young man  
He's a lover  
Well Fancy Dan, he's ahead of the clan  
He's a lover

Well the word's around that all the boys in town  
Are gonna tear his playhouse down  
But that don't bother young Dan, he's not a fighting man  
He's the swinginest lover around

Well don't underestimate Fancy Dan  
He's the leader of a local band  
Don't you dare leave your baby alone  
He's a modern Pied Piper on the saxophone

Well Fancy Dan, man oh man

He's a smoothie  
Well Fancy Dan, don't you understand  
He's groovy

Well the boys don't like him but the girlies do  
And that's all a part of the plan  
They're looking for a romance and they haven't a chance  
In the arms of Fancy Dan

Well Fancy Dan, round and round he goes  
Where he stops, nobody knows  
You better not leave your baby alone  
When he plays "come to me" on his saxophone
