

# Roy Orbison, Find My Baby For Me

(Sonny Burgess)

SONNY BURGESS (Sun, first issued 1978)

Gonna call out the army, gonna call out the navy

Gonna call out the cavalry

Pray on high, call the F.B.I.

Find my baby for me

Get all the butchers, gonna get all the bakers

Gonna get all the cooks I see

They won't be cooking, they'll all be looking

Find my baby for me

Find my baby for me

Get some loving you'll see

United Nations, all the radiostations

Find my baby for me

All the well diggers, get all the cotton pickers

Gonna get all the farmers too

Call my neighbours, gather the labourers

Find my baby for me

Gonna get all the rockers, gonna get all the rollers

Gonna get everybody I see

Pray on high, call the F.B.I.

Find my baby for me

Find my baby for me

Get some loving you'll see

United Nations, all the radiostations

Find my baby for me
