

# Roy Orbison, Fools Hall Of Fame

Wolf Freeman

Well if I live to be a hundred, I won't forget the day  
I broke the heart you gave me and let you walk away  
That's when they hung my name in the fool's hall of fame  
Ah baby since we've been apart, I can't console my heart  
It cries and cries all night long  
Can't I ever make you see this change you've made in me  
Just give me a chance to tell you I was wrong  
Yes they say that you'll forgive me and end this misery  
you know I'll keep on a beggin till you come back to me  
don't leave me here in chains in the fool's hall of fame  
Ah baby since we've been apart I can't console my heart  
it cries and cries all night long  
Baby can't you ever see the change you've made in me  
just give me a chance to tell you I was wrong  
Yes they say that you'll forgive me and end this misery  
You know I'll keep on beggin till you come back to me  
don't leave me here in chains in the fool's hall of fame  
don't leave me here in chains in the fool's hall of fame..2 xs
