

Roy Orbison, Give Myself A Party

(Don Gibson)

I've got alot of memories,
To last me the rest of my life
So if you don't want to love me,
Well baby that'll be alright
I'm gonna take all the lovin'
That I had for you
Gonna take all the loneliness
And sit right down with the blues.

I'm gonna give myself a party
Serve old memories
I'll give myself a party
Think of how it used to be
Remember all the happiness
That we once knew
I'll give myself a party
Just me and the blues.

A few of your love letters
A photograph or two
The gift you gave me on my birthday
With words of I love you
There's lots of things to think about
When you're happy being blue
I'm gonna take all the heartache
And sit right down with the blues.

I'm gonna give myself a party
Serve old memories
I'll give myself a party
Think of how it used to be
Remember all the happiness
That we once knew
I'll give myself a party
Just me and the blues.
