

# Roy Orbison, Heartache

(Roy Orbison)

Tonight at midnight you came by, la do me yay  
Nay rum rum rum  
I shook my head, tried to cry, la do me yay  
Nay rum rum rum  
Halfway weeping, halfway sleeping, do me yay  
Nay rum rum rum  
Tossing, turning, trembling, burning, do me yay  
Nay rum rum rum

Here it comes, heartache  
You wore your hair down  
I love it that way  
Your reached out and touched me  
And then you faded away  
It's unreal the way I feel, la do me yay  
Nay, rum rum rum

It's almost dawn and you are gone, la do me yay  
Nay, rum rum rum rum rum rum

Here it comes heartache, la do me yay  
Heartache on heartache  
Deeper than the blue  
Teardrop on teardrop  
I'm still in love with you  
What a way to start the day, la do me yay  
Nay, rum rum rum rum rum rum

Here it comes, heartache over you  
Heartache over you  
Every time you walk through my mind  
I get that old heartache
