

Roy Orbison, Heavy Load

At times it seems too rough, things just drag me down
It's hard to find the strength to just one more round

When I need help, I know where to go
'Cos you're the best friend that I could ever know

Being taught the words from you from what is true
Someone to share the pain that I'm going through

And it's a heavy load that I bear and it's a heavy crown that I wear
As I travel down this road, it's a heavy load, it's a heavy load

It's a heavy load that I bear and it's a heavy crown that I wear
So help me one more time, it's such an uphill climb
As I travel down this road, it's a heavy load

Lord it's a heavy load, Lord it's a heavy load, Lord it's a heavy load
Lord it's a heavy load, Lord it's a heavy load....
