

# Roy Orbison, I Can't Help It (If I'm Still In Love With You)

Today I passed you on the street  
And my heart was at your feet  
I can't help it if I'm still in love with you  
Somebody else stood by your side  
And he looked so satisfied  
I can't help it if I'm still in love with you.  
A picture from the past came slowly stealing  
As I brushed your arm and walked so close to you.  
And suddenly I got that old time feeling  
I can't help it if I'm still in love with you.  
instrumental part  
It's hard to know that other lips will kiss you  
And hold you close the way I used to do  
Oh heaven only knows how much I miss you  
I can't help it if I'm still in love with you  
I can't help it if I'm still in love with you..
