

# Roy Orbison, Lavender Lace

Lavender lace, tears on my face  
Our love ??? to celebrate our first date  
But i'm alone in lavender lace

Lavender lace, there's not a trace  
Of that guy that i love so well  
Now he won't see me in lavender lace

Why oh why didn't my baby show?

Why oh why, didn't he love me, no  
I don't know if i've ever been so lonely  
Lonely in lavender lace

Oh, lavender lace seems out of place  
It's 2am, well what's with him, making me cry?  
Giving me blues in lavender lace
