

Roy Orbison, Lovestruck

Orbison

What a life what a day I'm in love all the way

I'm in good with lady luck ah hah baby I've a been lovestruck

I'm in love ah hah I'm in love oh yeah

Well I feel like I was hit by a truck ah hah baby I've a been lovestruck

Well true love came just in time, in time to save this heart of mine

Cupid came and I forgot to duck ah hah baby I've a been lovestruck

I'm in love ah hah I'm in love oh yeah

Well look at me grin and watch me strut ah hah baby I've a been lovestruck

Well.....it's a great life everything's o.k.

But there's a 1 or 2 things I forgot to say

I'm glad that I met lady luck, I'm glad that I forgot to duck

And I'm glad that I've been lovestruck
