## Roy Orbison, More

More than the greatest love the world has known This is the love I'll give to you alone More than the simple words I try to say I only live to love you more each day

More than you'll ever know My arms long to hold you so My life will be in your keeping Waking, sleeping, laughing, weeping

Longer than always is a long, long time But far beyond forever, you'll be mine I know I never lived before And my heart is very sure No one else could love you more

No one else could love you more...
