

Roy Orbison, One More Time

C Trevis

Tell me one more time, with your hand in mine, that you love me like you used to do

Tell me one more time, that you want me one more time, break my heart in two

Tell me one more time, with your hand in mine, that you need a love so sweet and true

Tell me one more lie, I'll cry you one more cry, tell me that you love me one more time

One more time, tell me that you care, one more time, honey I'll be there

Tell me just once more, like you did before, that you need a love so sweet and true

Tell me one more lie, I'll cry you one more cry, tell me that you love me one more time
