

# Roy Orbison, Shes A Mystery To Me

(David Evans/Paul Hewson)

Darkness falls and she will take me by the hand  
Take me to some twilight land  
Where all my love is gray  
Where time just slips away  
Without her as my guide

Night falls I'm cast beneath her spell  
Daylight comes our heaven's torn to hell  
Am I left to burn and burn eternally

She's a mystery to me  
She's a mystery girl  
She's a mystery girl

In the night of love words tangled in her hair  
Words soon to disappear  
A love so sharp it cuts like switchblade to my heart  
Words tearing me apart  
She tears again my bleeding heart  
I want to run she's pulling me apart  
Fallen angel cries  
Then I just melt away  
She's a mystery to me  
She's a mystery girl  
She's a mystery girl  
She's a mystery girl

Haunted by her side the darkness in her eyes  
But that so enslaves me  
If my love is blind then I don't want to see  
She's a mystery to me

Night falls I'm cast beneath her spell  
Daylight comes our heaven's torn to hell  
Am I left to burn and burn eternally  
She's a mystery to me

She's a mystery girl  
She's a mystery girl  
She's a mystery girl  
She's a mystery girl  
She's a mystery girl  
She's a mystery girl  
She's a mystery girl
