

Roy Orbison, Sweet And Innocent

Sherrill/Hall

Lots of loves are precious
Lots of loves are true
But they can't make the kind of love
I get from loving you

Sweet and innocent is your love to me
The way you hold me not too tight
The tender way you kiss goodnight
Makes you the one exactly right for me

Young and beautiful
Is the love I get from you
They say that you don't know the score
For this I love you even more
Young and beautiful, sweet and innocent

Sweet and innocent
Like the love I get from you
They say that you don't know the score
For this I love you even more
Young and beautiful, sweet and innocent
