

Roy Orbison, This Is Your Song

This is your song, to let you know how much I love you
You have my heart and I know I can't live without you

This is your song, to keep you when the nights are lonely
Only for you darling, you're all that I've waited for
And this song, my love is yours for evermore

And through the years you can be sure that I'll be faithful
My love for you will ever grow and this I will do
I will give my heart and song to you
