Roy Orbison, When I Stop Dreaming

When I Stop Dreaming that's when I'll stop loving you

The worst that I've ever been hurt in my life the first time I ever have wanted to die was the night when you told me you loved someone new and asked me if I could forget

When I stop dreaming that's when I'll stop loving you

You may teach the flowers to bloom in the snow

you may take a pebble and teach it to grow you may teach the raindrops to return to the sky but you can't teach my heart to forget

When I stop dreaming that's when I'll stop loving you Key change When I stop dreaming that's when I'll stop loving you
