

# Royal Blood, Figure It Out

Nothing here to see  
Just a kid like me  
Trying to cuss and see  
Trying to Figure It Out

Nothing better to do  
When I'm stuck on you  
And still I'm here  
Trying to Figure It Out

Getting hard to sleep  
But it is in my dreams  
But it's killing me  
To try and Figure It Out

Nothing better to do  
When I'm stuck on you  
And still I'm here  
Trying to Figure It Out

I'll let it go 'cause I won't see you later and I'm not allowed to talk it out  
I said I'll come, I'll promise I won't show but I see you trying to figure it out  
I promise you, I'll take a bet on you but you didn't know I planned it out  
I said I'll go, yeah, I won't see you later and I'm not allowed to figure it out

Nothing here to see  
Just a kid like me  
Trying to cuss and see  
Trying to Figure It Out

Nothing better to do  
When I'm stuck on you  
And still I'm here  
Trying to Figure It Out

I'll let it go 'cause I won't see you later and I'm not allowed to talk it out  
I said I'll come, I'll promise I won't show but I see you trying to figure it out  
I promise you, I'll take a bet on you but you didn't know I planned it out  
I said I'll go, yeah, I won't see you later and I'm not allowed to figure it out
