

Royal Blood, Little Monster

Hey Little Monster
I got my eye on you
Where are you going?
Where you running to?
Hey Little Monster
You know it's all okay
I'm gonna love you, no matter what you say

I got love on my fingers, lust on my tongue
You say you got nothing, so come out and get some
Heartache to heartache, I'm your wolf, I'm your man
I say run Little Monster, before you know who I am.

Hey Little Creature
Tell me what's on your mind
Where've you been hiding? Can I come this time?
So pleased to please you, and rip that heart off your sleeve
Let me discover

I got love on my fingers, lust on my tongue
You say you got nothing, so come out and get some
Heartache to heartache, I'm your wolf, I'm your man
I say run Little Monster, before you know who I am.
