Royal Crown Revue, Hey Pachuco!

Summer '43 the man's gunnin' for me Blue and white mean war tonight They say damn my pride and all The other cats livin' down the east side Or maybe just my brim's too wide

Hey Marie you better grab my jack And zip gun for me 'Cause I'll face no shame Tonight's the night I die for our name

Well I like to be swingin'
Dancin' and singing
Just having a good time
Free to do whatever
Now more than ever
I've got to stick with that gang of mine
