## Royal Hunt, Total Recall

We gave this pain to the world which we can't understand Blood disappears like the raindrops when hitting the sand Eye on the Bible and hand on the gun-wandering comes to an end

Fight in the name of your god and his son-wait for the final command:

Total Recall - we saw it all,we took it all protected by the law

Total Recall -we torched another life we'll never know Total Recall - we shot it all we burned it all and now it's time to go

Wish for redemtion and peace's never crossing our mind Blood on the bricks - that's all that we're leaving behind Pictures of home disappearing in flames. Mission's complete In the end there's nothing to lose, we're ready to gowait for the final command - " Total Recall".
