

# Rudenko, Everybody

You-uh-uh-uh don't know-o-o and i-i-i don't care  
So so so so hard-hard-hard I know-oh-oh, its not fair  
Get with me, i'll change it up like no one has before  
Knock it down i'll pick it up, put you on the floor  
Oh, your love is cool, but don't you know  
Everybody's doin' it, (ah ah ah ah)  
You can feel it in the air  
Everybody's doin' it, (ah ah ah ah)  
You can feel it in the air  
Everybody  
(get freaky, everyone's doin' it)  
You-oh-oh come up up up my street-et-et and be scared  
No-o-o one here-ere-ere with like-ike-ike your hair  
Just stay here, ill tare it up, like no one has before  
Just like that, play it rough, I got you on the floor  
Oh my heart, don't feel so bad, cause
