

Rudimental, Never Let You Go

You never gotta be that lonely
You never gotta get that alone
All you gotta do is call me
And I will never let you go
/2x

I will never let you go /3x
I will never let you go, never let you go
/2x

You never gotta be that lonely
You never gotta get that alone
All you gotta do is call me
And I will never let you go
/2x

I will never let you go /3x
I will never let you go, never let you go
/2x

You call me
And I'll never let you go
You call me
You call me

I will never let you go /3x
I will never let you go, never let you go
/2x

Never let you go /4x
