

# Rudimental, Sun Comes Up (feat. James Arthur)

I wondered  
maybe they'd find  
I've been such a  
long /3x  
time  
I feel it  
swallowed  
by the waters around me  
no I took so many  
wrong /3x  
turns to see it

but I dance through the  
blisters at night  
and laughed  
till cried  
ran till my feet couldn't run  
no more  
and I sung till my lungs  
were burning  
till I know I'm alive  
I sing till I can't hear  
your voice no more

suddenly  
sun comes up  
and I feel my love  
floating back again  
until the sun comes up  
and I feel my love  
coming back again  
suddenly  
sun comes up  
and the dark is gone  
we made it to the dawn  
and I don't miss you anymore  
when sun comes up  
and I feel my love  
coming back again

wasn't easy  
trying to run  
with these handcuffs  
I had to sleep through  
such a cold  
cold, cold night  
to see it  
A green flashes is with me  
right where I'm standing  
sunlight got into the bone  
bone /2x  
start the healing

but I dance through the  
blisters at night  
and laughed  
till cried  
ran till my feet couldn't run  
no more  
and I sung till my lungs  
were burning  
till I know I'm alive  
I sing till I can't hear  
your voice no more

suddenly  
sun comes up  
and I feel my love  
floating back again  
until the sun comes up  
and I feel my love  
coming back again  
suddenly  
sun comes up  
and the dark is gone  
we made it to the dawn  
and I don't miss you anymore  
when sun comes up  
and I feel my love  
coming back again
