

# Rudimental, Toast To Our Differences (feat. Shun

I wanna live in the ... as far  
i wonder where that is  
who makes the rules  
in the ...  
I wander how it happens

without cool kids  
presidents  
and thought case  
and elephants

I wanna ..  
I wonder how that's like  
and what world  
oh I just want to get high

without reach kids  
emigrants  
and bog dreams and better

let's raise a glass  
and have Toast To Our Differences  
help mi with your shoulders  
when I don't know where my living is

i don;t know where my limits lay  
i don;t know where my limits lay
