

# Rufus King, Rufus King

Yeah you got me feeling those butterflies inside  
In your locker I would hide  
The truth, it's only you I see  
And you're just what I need

I'll bring you flowers every day  
Just to roll you in the hay  
Well I'm feeling fine  
I'm right on time, I know I'll get my way

You're just what I need, You're just what I need  
Not everything works as it seems  
Is that so hard to believe?

So I went down to the record store  
Picked my head up off the floor  
The truth, it's only you I see  
And you're just what I need

And if it's my word that you fear  
Let me make this very clear  
I'm feeling fine, I'm right on time  
I know I'll get my way

And you're just what I need, and you're just what I need  
Not everything works as it seems  
Is that so hard to believe?

I'll bring you flowers every day  
Just to roll you in the hay  
Well I'm feeling fine, I'm right on time  
I know I'll get my way

And you're just what I need, and you're just what I need  
Not everything works as it seems  
Is that so hard to believe?

And you're just what I need, and you're just what I need  
Not everything works as it seems  
Is that so hard to believe?  
Yeah!
