

Rufus Wainwright, Natasha

You walk alone in the valley of life
In the shadow of love under the trees of happiness

You walk alone like a baby unborn
Like a father unknown
Like a pocket penniless

I'm happy that you really care
But do you really know
How scary
This is for you and is for me?
Oh do you you really know?
Do you really know? oh..

Natasha
All I can do
Is write a song for you
Natasha
Oh Natasha

For you I sit alone on the cozy ground floor
On a bench by the garden
Waiting also
Waiting for love and thinking of all of the
Catty remarks I also swallow

And as I've often asked before
Does anybody know
How scary
This is for you and is for me?
Does anybody know?
Anybody know? oh...

Natasha
All I can do
Is write a song for you
Natasha
Oh Natasha
All I can do
Is write a song for you
Natasha
