

Rufus Wainwright, Old Whore's Diet

An old whore's diet
Gets me going in the morning
Ain't nothing like it
Gets me going in the morning

To say I love you
Gets me going where I want to
Oh, gets me going
Oh, gets me going in the morning

[Repeats]

Hell, either here or Hell will do
Either here or Hell will employ you
Suicidal assistance
An old whore's diet
