Rush, Carve Away The Stone

You can roll that stone To the top of the hill Drag your ball and chain behind you

You can carry that weight With an iron will Or let the pain remain behind you

Chip away the stone (Sisyphus) Chip away the stone Make the burden lighter If you must roll that rock alone

You can drive those wheels
To the end of the road
You will still find the past right behind you
Try to deny
The weight of the load
Try to put the sins of the past night behind you

Carve away the stone (Sisyhpus)
Carve away the stone
Make a graven image
With some features of your own

You call roll the stone
To the top of the hill
You can carry that weight
With an iron will
You can drive those wheels
To the end of the road
You can try to deny
The weight of the load

Roll away the stone (Sisyhpus) Roll away the stone If you could just move yours I could get working on my own
