

Rusty Cage, Golden Gold

I'mma be weirdo
I don't need your golden means
and you made me wonder
what if I could make you scream

you just don't know what it means
you just don't know what it means
you just don't know how it feels
you just don't know how it feels

oh you don't wanna be destroyed
you don't wanna be ignored
I can see you heart beckons
