

Ruth Ann, You Talk Too Much

I hear your voice just blah, blah, blah
The trace you leave is just ha ha
Update your mind, you must be tamed
Cause you talk talk talk too much

I think you love to hear your voice
What can I do to stop this noise
Update your mind, you must be tamed
Cause you talk talk talk too much

I hear your voice just blah, blah, blah
The trace you leave is just ha ha
Update your mind you must be tamed
Cause you talk talk talk too much

I hear your voice just blah, blah, blah
The trace you leave is one of ha ha
Update your mind, you must be tamed
Cause you talk talk talk too much
