

Ryan Adams, Nuclear

This is where the summer ends
In a flash of pure destruction, no one wins
Go nuclear. Nuclear.
The violets in my eyelids goin' red
Sentimental geek
Shut up and go to sleep

The calm, the beach and the remains
Of the bathing suits and Porsches all in flames
Go nuclear. Nuclear.
When I saw her and the Yankees lost to the Braves
Sentimental geek
Shut up and go to sleep

Give me an answer
