

Ryan Huston, Thank You

I'll try to relate if you will talk to me.
I'll try to be great, like it were meant to be.
You think that maybe we could sit for a while.
Come out and say the things that you like to do.
And I'll do my best to try to relate to you.
I hope that maybe we could sit for a while.

And I, wanna thank you, and I wanna thank you.
I wanna thank you for not being afraid.

Cause you know you're perfect to me.
I hold my breathe just to hear you speak.

As time has gone by, I've seen you in every way,
from angry to sick and everything day by day,
you're still the most beautiful girl in the world.
I know you're the best at everything that you do,
and none of the rest could ever compare to you.
Always in my eyes you're my number one girl.

And I, wanna thank you, and I wanna thank you.
I wanna thank you for not being afraid.

Cause you know you're perfect to me,
I hold my breathe just to hear you speak
and I hope this dream never ends
cause you know you're my bestest friend
