

# S.J.K., Magic Lake

[M: Dilian Arnaudov; L: Dilian Arnaudov]

Stand on the shore of magic lake  
Stand on the shore like in an endless dream  
The lake is wrapped in mystery  
Covered with grief reflected face I see

[Chorus:]

I see the tears drop in water  
I see the wounds that left in me  
I see the tears drop in water  
I see the wounds that left in me

Stand on the shore of magic lake  
Stand on the shore like in an endless dream  
Darkness descended upon the Earth  
I feel my heart turns into stone cold

[Chorus:]

I see the tears drop in water  
I see the wounds that left in me  
I see the tears drop in water  
I see the wounds that left in me

[Bridge:]

Magic lake of my dreams  
Inspire sadness in my soul  
Magic lake of my dreams  
Inspire sadness in my soul

[Chorus:]

I see the tears drop in water  
I see the wounds that left in me  
I see the tears drop in water  
I see the wounds that left in me
