

# Sabaton, Defence of Moscow

As the Wehrmacht overryn, Russia 1941

They don't belong

We stand our ground

A milion strong

We are ready for their strike

Face the army of the reich

A milion strong

This is our land

They don't belong

Hear Marshal Zhukov's

And Stalin's orders

Defend the motherlan

Moscow shall not fall

Stand and follow commansd

Our blood foe the homeland

Heed the mother;and;s call

And brace for the storm

Moscow will never give in

There is no surrender

Force tchem into retreat , and into defeat
