

# Sabaton, Night Witches

From the depths of Hell in silence  
Cast their spells, explosive violence  
Russian night time flight perfected  
Flawless vision, undetected

Pushing on and on, their planes are going strong  
Air force's number one  
Somewhere down below they're looking for the foe  
Bomber's on a run  
You can't hide, you can't move, just abide  
Their attack's been proved  
Raiders in the dark  
Silent through the night the witches join the fight  
Never miss their mark

Canvas wings of death  
Prepare to meet your fate  
Night bomber regiment  
588

Undetected, unexpected  
Wings of glory  
Tell their story  
Avidiation, deviation  
Undetected  
Stealth perfected

Foes are losing ground, retreating to the sound  
Death is in the air  
Suddenly appears, confirming all your fears  
Strike from witches lair  
Target found, come around, barrels sound  
From the battleground  
Axis aiming high  
Rodina awaits, defeat them at the gates  
Live to fight and fly

Beneath the starlight of the heavens  
Unlikely heroes in the skies  
Witches to attack, witches coming back  
As they appear on the horizon  
The wind will whisper when the Night Witches come
