

# Sabaton, The Valley Of Death

Dug in deep, equipped for attack  
Outnumbered, determined to win  
Double trench lines that won't give in  
They're prepared let the battle begin  
Here again they've done this before  
A lesson that they should have learned by now  
Reinforced with new men and guns  
Who are ready for death when it comes

United they're strong, united they're holding the line  
The Valley of Death, awaiting the British as they come their way

Their attack is coming fight them back  
Bulgarians holding the line  
Facing wave after wave, will never surrender  
Again, again, again, again  
They attack, Bulgaria held them back  
Unleash their counter barrage  
Let it rain artillery pounding the trenches  
No surrender, fight them until the end

Fortified, and made to defy  
Protected by wires and guns  
Troops as far as the eye can see  
They advance under Vazovs command  
Row on row, as they come from below  
Twice they attack, twice they're beaten back  
Every time they try, they will die  
Their line of defence is still intact  
For white, green and red, for the nation they're fighting for  
The British are done, three times the defence of Doiran has been won

Their attack is coming fight them back  
Bulgarians holding the line  
Facing wave after wave, will never surrender  
Again, again, again, again  
They attack, Bulgaria held them back  
Unleash their counter barrage  
Let it rain artillery pounding the trenches  
No surrender, fight them until the end
