

# Sabrina Carpenter, Bad Time

[Intro]

Bad time for a good time, baby  
A bad time

[Verse 1]

You never finish your glass  
Take a little sip and you're bored  
Down in the apartment below  
Wouldn't even open your door  
You said: "It's a bad time for a good time baby  
A bad time"  
Too many times I've asked myself  
"What did I come here for?"

[Pre Chorus]

Now I know you wanna talk about it, talk about it, yeah  
Suddenly you're into me again  
Let's talk about it, talk about it, yeah  
I've been dying to use the line

[Chorus]

I'm sorry, but you've called at a bad time  
And every time is probably gonna be a bad time  
Sorry, but it's not like the last time  
Where you were calling me and hoping for a good time  
Bad time for a good time, baby  
A bad time  
You should know about it by now  
Bad time for a good time, baby  
A bad time  
You should know about it by now  
You should know about it, nah nah yeah

[Verse 2]

Everything's so clear to me now  
Wish I could have seen it before  
You were sitting comfortable and  
I was busy kissing your floor

[Pre Chorus]

Now I know you wanna talk about it, talk about it, yeah  
Suddenly you're into me again  
Let's talk about it, talk about it, yeah  
I've been dying to use the line

[Chorus]

I'm sorry, but you've called at a bad time  
And every time is probably gonna be a bad time  
Sorry, but it's not like the last time  
Where you were calling me and hoping for a good time  
Bad time for a good time, baby  
A bad time  
You should know about it by now  
Bad time for a good time, baby  
A bad time  
You should know about it by now

[Post Chorus]

La la la la la la la la la la yeah, sorry  
La la la la la la la la la la yeah, sorry

[Bridge]

Mm, no  
It's a really bad time, yeah

You know that it's a bad time for a good time baby  
A bad time  
I'm just gonna say it one more time for fun

[Chorus]  
I'm sorry, but you've called at a bad time  
And every time is probably gonna be a bad time  
Sorry, but it's not like the last time  
Where you were calling me and hoping for a good time

Bad time for a good time, baby  
A bad time  
You should know about it by now  
Bad time for a good time, baby  
A bad time  
You should know about it by now

[Post Chorus]  
La la la la la la la la la la la la yeah, sorry  
La la la la la la la la la la la la yeah  
You should know about it by now□
