

Sabrina Carpenter, God Is A Woman

You, you love it how I move you
You love it how I touch you, my one
When all is said and done
You'll believe God is a woman
And I, I feel it after midnight
A feelin' that you can't fight, my one
It lingers when we're done
You'll believe God is a woman

I don't wanna waste no time, yeah
You ain't got a one-track mind, yeah
So have it any way you like, yeah
And I can tell that you know I know how I want it
Ain't nobody else can relate
Boy, I like that you ain't afraid
So baby, lay me down and let's pray
I'm tellin' you the way I like it, how I want it

And I can be all the things you told me not to be
When you try to come for me, I keep on flourishing
And he see the universe when I'm in company
It's all in me

And you, you love it how I move you
You love it how I touch you, my one
When all is said and done
You'll believe God is a woman
And I, I feel it after midnight
A feelin' that you can't fight, my one
It lingers when we're done
You'll believe God is a woman

I tell you all the things you should know
So baby, take my hands, save your soul
We can make it last, take it slow
I'm tellin' you the way I like it, how I want it
But you're different from the rest
And boy, if you confess, you might get blessed
See if you deserve what comes next
I'm tellin' you the way I like it, how I want it

And I can be all the things you told me not to be
When you try to come for me, I keep on flourishing
And he see the universe when I'm in company
It's all in me

And you, you love it how I move you
You love it how I touch you, my one
When all is said and done
You'll believe God is a woman
And I, I feel it after midnight
A feelin' that you can't fight, my one
It lingers when we're done
You'll believe God is a woman

God is a woman, ooh
It lingers when we're done
You'll believe God is a woman, baby
Nanananana, ooh
It lingers when we're done
You'll believe God is a woman
