Sabrina Carpenter, God Is A Woman

You, you love it how I move you You love it how I touch you, my one When all is said and done You'll believe God is a woman And I, I feel it after midnight A feelin' that you can't fight, my one It lingers when we're done You'll believe God is a woman

I don't wanna waste no time, yeah
You ain't got a one-track mind, yeah
So have it any way you like, yeah
And I can tell that you know I know how I want it
Ain't nobody else can relate
Boy, I like that you ain't afraid
So baby, lay me down and let's pray
I'm tellin' you the way I like it, how I want it

And I can be all the things you told me not to be When you try to come for me, I keep on flourishing And he see the universe when I'm in company It's all in me

And you, you love it how I move you You love it how I touch you, my one When all is said and done You'll believe God is a woman And I, I feel it after midnight A feelin' that you can't fight, my one It lingers when we're done You'll believe God is a woman

I tell you all the things you should know So baby, take my hands, save your soul We can make it last, take it slow I'm tellin' you the way I like it, how I want it But you're different from the rest And boy, if you confess, you might get blessed See if you deserve what comes next I'm tellin' you the way I like it, how I want it

And I can be all the things you told me not to be When you try to come for me, I keep on flourishing And he see the universe when I'm in company It's all in me

And you, you love it how I move you You love it how I touch you, my one When all is said and done You'll believe God is a woman And I, I feel it after midnight A feelin' that you can't fight, my one It lingers when we're done You'll believe God is a woman

God is a woman, ooh
It lingers when we're done
You'll believe God is a woman, baby
Nanananana, oooh
It lingers when we're done
You'll believe God is a woman
