

# Sabrina Carpenter, Skin

Maybe we could have been friends  
If i met you in another life  
maybe then we could pretend  
Theres no gravity in the worfds we write  
Maybe you dodn't mea nit  
Maybe blode was the only rhyme  
the only rhyme

want my heart to be breaking  
breaking no  
i am happy and you hate it  
hate it  
and i am not asking you to let it go  
but you been telling your side  
so i'll be telling mine

you can try  
to het under my  
under my skin  
under my skin  
while he's on mine  
all on my  
all on my  
all on my  
all on my skin  
i wish you knew  
that even you can't get under my skin  
if i don't let you in

Your telling in how you see it  
The truth is whatever you decide  
Some people will believe it  
And some will read in between the lines  
You're putting me in the spotlight  
But i've been under it all my life  
Said all my life

want my heart to be breaking  
breaking no  
i am happy and you hate it  
hate it  
and i am not asking you to let it go  
but you been telling your side  
so i'll be telling mine

you can try  
to het under my  
under my skin  
under my skin  
while he's on mine  
all on my  
all on my  
all on my  
all on my skin  
i wish you knew  
that even you can't get under my skin  
if i don't let you in
