

# Sabrina Carpenter, Take Off All Your Cool

Hope I never see you in the right light (Right light)  
Hope I always catch you at the wrong time  
If you let me take a picture of your bad side (Bad side)  
And you like it, well that's a good sign, hey (Yep)  
I know you're not a fan of double texting (Texting)  
But you don't always gotta leave me guessing (Guessing)  
I know you wanna leave a good impression  
But you did it, you did without trying, oh yeah

I like your soul when it's shirtless  
'Cause it's just like mine  
I like your hands when you're nervous  
And they're all over mine, like yeah  
Show me under the surface (Yeah, yeah, yeah, yeah)  
And we could cross that line (Yeah, yeah, yeah, yeah)  
When you stop acting perfect

Baby, take off all your cool  
Cool, cool  
I'll take off mine too when you take off all your cool  
Cool, cool  
I'll take off mine too when you take it all off

We could even kick it in the driveway (Kick it)  
'Cause you know I'm not tryna over-complicate  
If showing all your colors led to heartbreak (Heartbreak)  
Then let it break on me, yeah, yeah

I like your soul when it's shirtless  
'Cause it's just like mine  
I like your hands when you're nervous  
And they're all over mine, like yeah  
Show me under the surface (Yeah, yeah, yeah, yeah)  
And we could cross that line (Yeah, yeah, yeah, yeah)  
When you stop acting perfect

Baby, take off all your cool  
Cool, cool  
I'll take off mine too when you take off all your cool  
Cool, cool  
I'll take off mine too when you take it all off

Don't play hard to get (Don't say that)  
Be hard to forget (No, baby)  
Don't play hard to get ('Cause you give me that high)  
Don't play hard to get (Don't say that)  
Be hard to forget (No, baby)  
Don't play hard to get ('Cause you give me that)  
(Take it, take it, baby)

Baby, take off all your cool  
Cool, cool  
I'll take off mine too when you take off all your cool  
Cool, cool (Yeah)  
I'll take off mine too when you take it all off  
(Take it off, take it off, yeah, babe)

(Cool)  
When you take it all off (Cool)  
When you take it all off (Cool)  
Baby, I'll take it off mine too  
When you take off all your cool (Cool)  
When you take it all off (Cool)  
When you take it all off (Cool)  
Baby, I'll take it off mine too
