

# Sabrina Carpenter, Take On The World

I've been waitin'  
For a day like this to come  
Struck like lightnin'  
My heart's beating like a drum  
On the edge of something wonderful

Face to face with changes  
What's it all about?  
Life is crazy  
But I know I can work it out  
Cause' I got you to live it with me

I feel all right, I'm gonna take on the world  
Light up the stars, I've got some pages to turn  
I'm singing oh oh oh  
Oh oh oh ooh  
I've got a ticket to the top of the sky  
I'm comin' up, I'm on the ride of my life  
I'm singing oh oh oh  
Oh oh oh ooh

Take on the world, take on the world  
Take on the world

Take on the world, take on the world  
Take on the world

Puzzle pieces, throw them up into the air  
Taking chances  
Moments happen everywhere  
But I got you to live them with me

I feel all right, I'm gonna take on the world  
Light up the stars, I've got some pages to turn  
I'm singing oh oh oh  
Oh oh oh ooh  
I've got a ticket to the top of the sky  
I'm comin' up, I'm on the ride of my life  
I'm singing oh oh oh  
Oh oh oh ooh

Take on the world, take on the world  
Take on the world

Take on the world, take on the world

Flyin' high  
I won't look down  
Let my fears fall to the ground

I feel all right, I'm gonna take on the world  
Light up the stars, I've got some pages to turn  
I've got a ticket to the top of the sky  
I'm comin' up, I'm on the ride of my life

I feel all right, I'm gonna take on the world  
Light up the stars, I've got some pages to turn  
I'm singing oh oh oh  
Oh oh oh ooh  
I've got a ticket to the top of the sky  
I'm comin' up, I'm on the ride of my life  
I'm singing oh oh oh  
Oh oh oh ooh

Take on the world, take on the world  
Take on the world

Take on the world, take on the world  
Take on the world

Take on the world, take on the world  
Take on the world

Take on the world, take on the world  
Take on the world
