

# Saint Vitus, Just Another Notch

Hey you, remember me?  
I'm your long lost friend  
you thought you got rid of me  
now I'm back in style again  
tell yourself that  
you don't know me  
you don't know my name  
call me black tar  
call me white horse  
it's all the same

You're going down to the devil's bar  
to meet the man  
you give him everything you've got  
to feel me again  
heat me up now  
pull it tighter  
the spoon is your throne  
release the tension  
feel my rush  
welcome home

&quot;Aah, you're lucky now, dont ya?  
now you realize, why I'm your very best friend  
damn it feels smooth, doesn't it?  
this thing have you right back in you, yeah  
oh no no no no, hold on, hold on  
wait a minute man, just wait a minute  
It's same as last time, trust me  
Someone like you can never ever need too much (hate/pain???)  
trust me, trust me, trust me&quot;

Trust me!  
Trust me!

Hey you! Remember me?  
I'm your hungry friend  
you think you've fed me enough?  
you better think again  
and now this time  
what you're feeling  
is a little too much  
they'll find you cold in  
your own backyard  
you're just another notch  
Another notch
