

Salad, Machine Of Menace

I'm versatile, Removable
I'm reversible, So edible
I'm the Machine of Menace

You put me in your place
So go on, the pleasure's mine
I gotta see your face
You put me in your place
So go on, I gotta see your face

I'm versatile, I'm flexible
I'm physical, Quite murderous
I'm the Machine of Menace

Chorus

Show me your face
I gotta see your face
Cos you put me in your place
So go on, the pleasure's mine
I gotta see your face

Incurable, Rememberable, I'm increasable
In fact delectable, Machine of Menace
