

Salad, Moon Above My Shoulder

(Cardboy king EP Part 2)

It's coming quick
It's shining down
It comes
From all around

I've got the moon above my shoulder

And now I know
Just what to do
I'm running fast
To be with you

I've got the moon above my shoulder

I know what I need
My baby knows it too
When we return to earth
We'll tell a tale or two

I'll take you down
To the long grass
And we will kiss
And we will clasp
It takes us up
Aaaah
The moonlit sky
Shines down on us

And now the moon's upon our bodies
Yes the moon's upon our bodies
