

# Saliva, I Walk Alone

Yeah!

This television has a poison on its breath.  
This counter culture of both wicked lies and death.  
It makes my eyes bleed everytime I turn around.  
How will they all feel when I bring them to the ground?

And I'll say.

I walk for miles inside this pit of danger.  
A place where no one follows me, I walk alone.

Huh!

I'm sick of all these people talkin' out their heads.  
I've never understood a damn thing that they said.  
From words to actions never knowing what they're about.  
I guess I'll have to chew them up and spit them out.

And I'll say!

I walked for miles inside this pit of danger.  
I've swallowed down a thousand years of anger.  
The weight of the world is falling on my shoulders.  
A place where no one follows me I walk alone.

Yeah!

I walk alone.

Oh Yeah!

Yeah!

I walked for miles inside this pit of danger.  
I've swallowed down a thousand years of anger.  
The weight of the world is falling on my shoulders.  
A place where no one follows me I walk alone.

I walk alone. Yeah!
