

Salonga Lea, The Journey

Half the world is sleeping
Half the world's awake
Half can hear their hearts beat
Half just hear them break
I am but a traveler
In most every way
Ask me what you want to know
I go

Chorus

What a journey it has been
And the end is not in sight
But the stars are out tonight
And they bound to guide my way
When they shining on my life
I can see a better day
I won't let the darkness in

What a journey it has been
I have been to sorrow
I have been to bliss
Where I'll be tomorrow
I can only guess
Through the darkest desert
Through the deepest snow
Forward, always forward I go

Chorus

Forward always forward
Onward always up
Catching every drop of hope
In my empty cup

Chorus

What a journey it has been
